## GOODWOOD OWNERS CLUB TRACK DAY

Peter Best Insurance Services are hosting a track day at Goodwood Motor Circuit for car clubs. The Jensen Owners' Club have been offered 15 places in the afternoon session on a first come first served basis.

The day will start with a rendezvous at River Bourne Classics, Otterbourne (just south of Winchester), at 10am for introductions and a welcome coffee and chat about all things Jensen (or anything else!).

We will depart from River Bourne Classics around 11am for a scenic cross-country drive to Goodwood Motor Circuit – a route will be provided – to arrive at Goodwood around midday in time to check in and conduct noise testing. If you want to skip the rendezvous and cross-country drive you can simply arrive at Goodwood Motor Circuit around midday.

### Your experience includes:

- At least three 15-minute driving sessions for a half-day – with a maximum of 12 cars on track at any one time.
- Full drivers briefing with Chief Driving Instructor
- Buffet lunch plus the option to add additional lunches for guests for £21 per person, but these must be purchased 72 hours before Track Day.
- Barista style tea and coffee available throughout your experience for you and your guests.
- Noise testing before you head out onto the circuit (this will be a 98Db session which most Jensens should be under without a problem).
- One driver included in the price only - additional drivers and passengers are free of charge.
- Option to purchase one-to-one tuition from a Goodwood Driving Instructor
